International Summer Workshop on

Scenario Analysis in Urban and Regional Planning

Cagliari, June 25 – July 3, 2010

The **International Summer Workshop on Scenario Analysis in Urban and Regional Planning** is jointly organised by the University of Cagliari (UniCA) and the HafenCity University of Hamburg (HCU).

The workshop will be held in Cagliari (and Baunei) from June 25 to July 3, 2010

The workshop program includes a core multi-session training exercise on Scenario Analysis in Urban and Regional Planning for the students of the partner Universities, thematic seminars on spatial planning, and complementary scientific and socio-cultural activities fostering the exchange among participants.

The International Workshop official language is English

Chairpersons: Prof. Michele Campagna, UniCA, and Prof. Alenka Poplin, HCU

Scientific Committee: Prof. Emanuela Abis, Prof. Giovanni Maria Campus, Prof. Anna Maria Colavitti, Prof. Andrea De Montis, Prof. Renato Troffa, Prof. Corrado Zoppi

Lead Instructors: Dr. Simone Caschili, Dr. Yuri Iannuzzi
